If you rely on any Actionary Content or the Services you do so solely at your own risk. Under no circumstances will we be liability in any way for any Actionary Content including, but not limited to, any errors or omissions in any Actionary Content, or any loss or damage of any kind incurred as a result of the use of any content. You acknowledge that Actionary does not moderate or monitor the content posted to the Services. We make no endorsement, representation, or warranty of any kind about Actionary Content including that we do not promise the accuracy, reliability, availability, integrity or quality of such content.

You expressly agree that your athletic activities carry certain inherent and significant risks of property damage, bodily injury or death and that you voluntarily assume all known and unknown risks associated with these activities even if caused in whole or part by the action, inaction or negligence of Actionary or by the action, inaction or negligence of others.

You should consult with your healthcare professional in relation to any fitness challenge or your health. We are not responsible for any health problems, issues with training or fitness or any damage (including damage to property) that may result from activity undertaken in relation to the Services. Information provided in relation to the Services is not medical, health, training or fitness advice.

Actionary's maximum aggregate liability to you arising out of, or in connection with, these Terms or from the use of or inability to use the Services shall not exceed the greater of the amount you have paid to Actionary for use of the Services in the 12-months prior to the date of the claim or one hundred US dollars (USD\$100).

Actionary is not liable for any indirect, special, incidental, or consequential damages arising out of, or in any way connected with, these Terms or the Services or any costs of delay, loss or inaccuracy of data or information or loss of profits, even if it knows of the possibility of such damage or loss.

The exclusions and limitations of damages set out above are fundamental elements of the basis of the bargain between us.

If the exclusion or limitation of liability for consequential or incidental damages is excluded by law, Actionary's total liability arising out of or in connection with these terms or from the use of or inability to use the Services will be the amounts you have paid to Actionary for use of the Services.

19. Indemnity

You will indemnify and hold Actionary or Related Entities harmless from and against any claims, suits, actions, demands, disputes, allegations, or investigations brought by any third party, governmental authority, or industry body, and all liabilities, damages, losses, costs, and expenses, including without limitation reasonable attorneys' fees, arising out of or in any way connected with (a) your access to or use of the Services, (b) Your Content, (c) your violation of these Terms, or (d) your violation of any law or the rights of a third-party. We reserve the right to assume control of the defence of any third-party claim that is subject to indemnification by you, in which event you will cooperate with us in asserting any available defences.

20. Dispute Resolution

You agree that any action at law or in equity arising out of or relating to these Terms or your access to or use of the Services will be filed only in New Zealand courts and you irrevocably and unconditionally consent and submit to the exclusive jurisdiction of such courts over any suit, action or proceeding. These Terms and the resolution of any

disputes shall be governed by and construed in accordance with the laws of New Zealand without regard to its conflict of laws principles.

The parties shall use their best efforts to settle any dispute, claim, question, or disagreement directly through good-faith negotiations, as a precondition to either party initiating arbitration. Any claim arising out of or relating to this Agreement and your use of the Services shall be finally settled by binding arbitration administered by JAMS in accordance with its provisions and procedures for consumer-related disputes, excluding any rules or procedures governing or permitting class actions. The arbitrator, and not any court or agency, shall have exclusive authority to resolve all disputes arising out of or relating to this Agreement. The arbitrator shall be empowered to grant whatever relief would be available in a court, provided, however, that the arbitrator will not have authority to award damages, remedies, or awards that conflict with this Agreement. The arbitrator's award shall be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. Both of us expressly waive trial by jury.

You may only resolve disputes with Actionary on an individual basis, and may not bring a claim as a plaintiff or a class member in a class, consolidated, or representative action.

The United Nations Convention on Contracts for the International Sale of Goods and the Uniform Computer Information Transactions Act shall not apply to these Terms.

Subject to applicable laws, you agree that any claim you may have arising out of or related to your relationship with Actionary and these Terms must be filed within one year after such claim arose, otherwise, your claim is permanently barred.

21. Additional Terms

Additional terms may apply to certain products or services including surveys, contests, giveaways, and other promotions (we will notify you where this is the case) and to our application accessed through the App Store or Google Play. Where they apply, such additional terms are incorporated into and made part of these Terms.

No terms or conditions proposed by a customer or a user will be incorporated into these Terms or will apply to the supply of the Services, even if at some later date Actionary signs or otherwise purports to accept them. Where a mission admin or an organisation or group specifies or requires its users of the Services to agree to different terms to

these Terms, including terms specific to a particular mission, such terms do not apply to Actionary or our supply of the Services and are not part of the contract between us and you.

22. General Terms

Except as otherwise stated, these Terms constitute the entire agreement between Actionary and you regarding the Services, and supersede and replace all prior understandings or agreements regarding the Services.

We may modify these Terms at any time and such modification will take effect when the new Terms are loaded onto the website.

If a court of competent jurisdiction finds any provision of these Terms invalid or unenforceable, that provision will be enforced to the maximum extent permissible and the other provisions of these Terms will remain in full force and effect.

You may not assign, delegate, or transfer these Terms, without Actionary's prior written consent. Any attempt by you to assign or transfer these Terms, without such consent, will be null. Actionary may freely assign or transfer these Terms without restriction. Subject to the foregoing, these Terms will bind and inure to the benefit of the parties, their successors, and permitted assigns.

You are not permitted to purchase products or services from Actionary if you are a person or entity who is subject to any sanctions or a person to whom we are legally prohibited from providing our Services including under any export restrictions.

Any notices or other communications provided by Actionary under these Terms, including those regarding modifications to these Terms, will be given: (i) via email or (ii) by posting to the Services. The date of receipt on the message is the date on which such notice is transmitted or posted.

The words "includes" and "including" in these Terms are deemed to mean "including without limitation".

Nothing expressed or implied in these Terms will be deemed to constitute either party as the partner, agent, or joint venturer of the other party.

Actionary's failure to enforce any right or provision of these Terms will not be considered a waiver of such right or provision. The waiver of any such right or provision will be effective only if in writing and signed by a duly authorized representative of Actionary. Except as expressly set forth in these Terms, the exercise by either party of any of its remedies under these Terms will be without prejudice to its other remedies under these Terms or otherwise.
